**PROVIDING SERVICE & MAINTENANCE
FOR CLIENTS WITH PREMIERE LUXURY
WINDOWS & DOORS THROUGHOUT
SOUTHERN CALIFORNIA**

SERVICE & MAINTENANCE

WHO WE ARE

We are not your typical window and door installation company. Window Crafters was formed in 2007 as a luxury window and door service and installation company with over 75 years combined experience primarily serving the Southern California area. We provide real solutions in partnership with Homeowners, Builders, Architects, Manufacturers, and their dealers. Product service, repairs, and installation are our core specialties but most importantly we strive to increase value to our clients by focusing on the specific needs of each project.

Our mission is to provide our clients with the highest level of customer satisfaction throughout the course of their project while adding value to the homeowner's property by providing quality workmanship together with superior products. Always respecting the privacy and security of you and your home.

EXPERIENCE

With over 75 years of combined experience, we are your go-to service and installation company assisting you along the course of your project from start to finish.

FACTORY TRAINED + CERTIFIED

Our team is factory trained and knows the "in's" and "out's" of all the product we service and install.

TURN-KEY SOLUTIONS

Our team goes through continuous extensive training to ensure that we stay well versed in the latest techniques for servicing your doors and windows to ensure your satisfaction.

PREVENTATIVE CARE PLANS

• • •

Prevention is Key

We start every project by performing a detailed evaluation of the home to determine which windows and doors need attention and what parts and materials are required to successfully complete the project.

Once the evaluation is completed, a detailed estimate for the service and repairs required will be provided. Discounts offered for recurring scheduled preventative care plans.

TUNE + ADJUST

- Perform project walk-through and operate every window and door
- Operate and adjust windows and doors as needed
- Lube and adjust locking mechanisms to ensure security and functionality on windows and doors

Cost: Estimate to be provided

FULL LUBE + TUNE

- Removal of panels (if accessible)
- Deep clean and lubricate to remove and prevent corrosion
 - Hardware
 - Locking Mechanisms
 - Doors/Window tracks
 - Wheels
- Make adjustments as needed
- Full assessment of weatherstrip to ensure a proper seal and compression
